16.13 Backup Money

All of these fights are in Kamui and can be done just before the point of no return or the final visit of the Kamui Dojo. To respawn the enemies, the entire area has to be reloaded. This does not happen when entering and exiting building in that area, as their interiors are on the same map. Instead, enter Yoshpet or Wep'keer and exit again.

A.2 Barking Up The Cherry Tree Requirements

All S ranks (pink trees) in the final results screen are required to obtain the achievement.

- Praise Earned is redundant, as 6,020 Praise is required to max out all stats.
- Enemies Defeated is safely met following the notes, with a bit of leeway (569 in total).
- Money Gained is surpassed by more than 2 million Yen by following the notes.

Table 2: Barking Up The Cherry Tree Requirements

Criterion	Requirement
Deaths	< 5
Enemies Defeated	≥ 550
Money Gained	≥ 4,000,000
Demon Fangs Found	≥ 300
Praise Earned	≥ 4,500
